

UKRAINE INTENSIVE EXPORTS PROGRAM

THE PRINCIPLES

We help manufacturers from Ukraine quickly and efficiently sell their products abroad.

A foreign buyer gets a reliable supplier - without intermediaries, without additional margins - direct contracts with manufacturers are offered! The conclusion of long-term and one-time contracts.

The information about us are on the official sites of the Ministry of Foreign Affairs, the Ministry of Economic Development and Trade, the embassies. We are trusted, we known, we have been working for over 17 years.

THE PRINCIPLES

Along with this, we can help a foreign company interested in entering the Ukrainian market or the markets of other countries:

- marketing research;**
- market entry strategy;**
- advertising campaign;**
- direct search for a client, distributor, partner.**

WHO WE WILL BE USEFUL

1. Engineering companies, working with contractors for the implementation of construction, industrial and other projects and objects:

- search for a contractor;

2. Retail, distributors of different directions to expand the product line:

- search for a supplier;

3. To anyone who starts developing a business and is looking for reliable partners, we will help build work with Ukraine:

- access to the Ukrainian market;
- selection of Ukrainian dealer.

WHO WE WILL BE USEFUL

4. Companies seeking to expand production and transfer production to Ukraine:

- search for production base;
- search for reliable Ukrainian contractors.

5. Investors:

- selection of the investment object;
- primary inspection of the object and owners.

6. Companies working with outsourcing firms (IT sphere, etc.)
